RESERVATION MAY NOT MOVE MAY 1

Mayor Says He Does Not Believe There Will Be Houses for Inmates.

It is possible that the reservation may not be moved from its present location on May 1, as there is no place prepared for the lumates in the sec-

were to have been moved.

Mayor Sweeney said this morning: "I cannot tell if it will be possible to re-move the reservation by May 1, as I am taking the matter up with property owners down there and no buildings have as yet been erected for this purpose and there are no accommodations made for the persons who will move further south."

Cured at Home ANNUAL REPORT OF MAYOR MAKES MANY RECOMMENDATIONS FOR CIVIC BETT

(Continued From Page Two.)

Number of applications rejected ... Number of applications pending ... Number of trials and investigations, 21

partment. It organized the Police Benefit association, reorganized and increased the force, reorganized creased the detective department, regulated by ordinance through the coun eil, vehicles and solicitors at the union station, urged the council to purchase a patrol wagon, placed patrolmen in the center of streets in the business sec tion with good results, and strongly urges improvement at city jail, which

s badly needed. The commission is composed of J. M. Wyatt, chairman; W. H. Burges, F. B. Simmons, Z. T. White and Tim Lyons. This body of citizens devote their service to the city from a spirit of civic pride, receiving no compensation there-

Chief's Report. The chief of police, B. F. Jenkins, re-

ports the expenses and work of the department for the past year as fol-Cost of feeding prisoners 3,764.65 Fines collected\$18,421.00 Cost of police salaries\$40,010.60

on fines, 6947. Chief Jenkins is an efficient and capable oficer, and commands an active and vigilant force.

Felonies and transfers to county

Corporation Court. T. C. Lea, jr., judge of the corpora-tion court, reports having tried during the year 6171 cases, of which 3399 were fined and 2752 were acquitted and transferred to the county jail. He asessed \$19,021 in fines. Judge Lea is a conscientious and just

Fire Department. This branch of the public service is governed by a volunteer committee appointed by the mayor, consisting of Frank Powers, chairman; W. T. Hixson, secretary: judge P. F. Edwards, C. C. Keifer and M. C. Edwards. This committee has rendered much valuable ser-vice to the city, having reorganized the department from a volunteer basis o a paid department under the direction of an experienced chief. The com-mission employs and discharges all men. During the past year, the comthe addition of nine men, the commis-sion compiled and completed a manual of rules and regulations and has made the department an effective and compact fire fighting force

Recommendations. The commission recommends that the chief's salary be raised \$15 per month;

"Season-Ahead" Clothes

Clothes that embody the extreme of fashion and carry that fashion along natural lines to its next development. Clothes that contain those little touches of style that ultraconservative men will insist on next season.

Clothes that express the "personality"-the "individuality"of the wearer.

Kaufman Pre-Shrunk Campus Togs

And the style, the fit, the appearance that distinguish them at the start will last as long as the garment does.

The commission also recommends the partment. location of a fire station in the vicinity

mendations when the city's finances will permit.

During the year an addition was built to the central station, the addition fully equipped and the central sta- cents credit for same. tion renovated. Two steamer heaters have been installed and a horse and buggy purchased for the chief.

An office has been equipped and pro-vided for the chief. Cement floors have replaced wooden floors in the workshop. One noninter-fering alarm box has been installed at the corner of El Paso and San Antonio streets, the old box being removed to El Paso and Seventh streets. One mile of fire alarm wire has been installed, making a total of 17 miles in service.
All fire apparatus has been repainted and renovated where necessary. Sanitary feed boxes have been installed in all stations. A combination chemical and hose automobile has been added to the service. An additional station has been purchased in Highland Park.

Chief's Report. During the year the department re-sponded to 237 alarms, being 46 in excess of the previous year. Alarms received by box Alarms received by telephone 130 Alarms received from 12 a. m. to

Origin of Fire . Adobe houses 18 Box cars Other than buildings 61

In his report the chief states the cause of each fire. All fires were confined to the building in which they originated, and no fire in a building of more than two stories extended beyond the story in which it originated. The total value of buildings and con tracts approximated \$1,885,475.50.

The insurance on the same amounted to \$974,255. The loss sustained on buildings and

contents, insured and uninsured, totaled Total loss insured and unin-.....\$974,255.00 sured 95,799,40

Net insurance over loss\$878,255.64 Net loss uninsured 2,865.00

Total insurance over loss .. \$581,320.60 on a population of 50,000 Total loss carried by insurance comanies, \$92,934.40.

Cost of Insurance. We have 100 insurance companies do-ing business in this city. The yearly and 686 Mexicans, totaling 726 cases. veraged \$26,000 for the past 12 months. Taking this as a basis, 100 companies would average approximately \$252,000. cases. This, less \$92,924.40 fire loss for this In : year, would not the companies \$160,-065,60, not including an average com-

companies for protection. 48,800 feet of hose, raised 875 feet of destroyed

worked 118 hours and 30 minutes a

The police always respond to alarms and render great assistance to this deand thereafter \$80 per month.

It is advisable at this time to rearrange fire hydrants so that none in the mercantile section will be over 300 feet apart or over 600 feet apart in the resi-

credit of 3 cents on our insurance key It is also deemed advisable to add 11 men to the department, making it a full paid department and receiving 3

I also recommend the instalation of an additional combination hose and chemical wagon in the vicinity of the

union depot. This will give an addi-tional credit of 2 cents.

I recommend the bringing of the alarm system up to standard requirements, giving an additional 2 cents

credit. I also recommend the appointment of a fire marshal, carrying with it a credit of 3 cents. This will give the city a credit of 13

cents, reducing the rate from 50 cents to 37 cents. Hope for Better Rates. If litigation now pending in the federal court is successful, it will result

in many improvements in the water sys tem, which, according to the figures The recommendation is made for the of C. B. Roulet, Texas fire insurance purchase of an automobile for the chief actuary, will reduce the key rate for believe it necessary and approve the El Paso an additional 23 cents. The treatment we have received from

the insurance companies in fixing our rate is extremely discouraging whe you ascertain that they did not conside the improvements in our fire depart ment, the city streets, buildings, electri wiring, etc. You gentlemen undoubted ly appreciate the fact that the repor made on El Paso was made by paid em ployes of the companies who came her for the express purpose of reportin favorably to the companies. How we they accomplished the purposes of their employers is patent to the world

In this connection, I will state the communicated with the chairman of the state insurance rating board, an propose to resist the rate made by companies.

City Veterinarian. Dr. Frank Thatcher, city veterinarias reports having treated 38 animals He treated 40 animals in the street an grade department, with a loss of on This department was created in Jul

of last year, and has been an econor ical venture. City Electrician.

During the past year this department has collected for permits and inspections the sum of \$1362.50. The city electrician, A. T. Samworth, issued 519 instalation permits, 632 connection permits. Mr. Samworth reports that during the year all meters have tested correct and that lighting companies have afforded him every facility for instituting investigations.

Mr. Samworth recommends the re wiring of the city hall,

The Death Rate.

The department reports the death rate for 1908 at 26.55 percent, based on a population of 40,000, and for 1909 at 23.28 on a population of 50,000. The normal death rate having fallen from 12.2 in 1998 to 8.5 in 1999, or a difference of 3.7 per 1000 population, this gives us, according to the report, an extremely low normal death rate, un-

exceled in the United States.
